If you come to Hawaii, you can't stay on dry land!

Global Village Hawaii's English + Bodyboarding Program gives you the chance to enjoy the waves without the skill needed for surfing. Whether it is your first time on a bodyboard or you have been catching the waves for a while, you will find bodyboarding lessons useful.

Global Village Hawaii works in coordination one of Hawaii's world famous surf schools to give you a truly quality experience in the water. Join one of our excellent English programs and your bodyboarding lessons will be scheduled around your schedule at school. First decide how long you would like to study English and how many body boarding lessons you would like to take. Then decide how many English lessons you would like to take a week—16 or 20 lessons—as well as which of our outstanding English program you would like to join. We will do the rest.
