GRADUATE & ALUMNI TESTIMONIALS

KAREN DE FARIAS NASCIMENTO, BRAZIL

CARLOS SANDOVAL, VENEZUELA

DAT XUAN THANH DONG, VIETNAM

KENNY HONGO, JAPAN

"After completing my classes at GV Hawaii, I decided to take the program that gave students direct access to the Community College. That was when, for the first time, I could be part of the formal academic system of the United States.

I studied for a year at Kapiolani Community College (KCC) and this experience motivated me to dream higher. My TOEFL result was better than I expected and with it I could apply for my Masters degree. Last summer, just over four years after I started at GV Hawaii, I received my Master of Education degree, specializing in Human Resources, from the Wayland Baptist University - Hawaii."

"I'm really happy about the eight months that I spent at GV Calgary. That time not only helped me to improve my English and understand more about the Canadian culture, but I also met wonderful people from around the world. I always remember with joy my time at GV Calgary, and sometimes I just stop there to talk with the wonderful staff and teachers that I met and learned so much from.

I graduated at SAIT in April 2019 after two years, with a Diploma in Energy Asset Management. Two months after I graduated I found a job in my area, working as Land Analyst at Land Solutions LP."

"I have been enrolled in the Pathway program at GV Vancouver for a year now. When I started, I was in level GV1 and now I am nearing the completion of my Pathway in GV7. When I finish, I will study at Humber College in Toronto with a major in Marketing and Business Management. The support I have got from GV Vancouver has been an important part of reaching my goal and entering Humber College.

I have enjoyed my experience at GV Vancouver. I had a very good time, made many new friends and loved all my teachers and classes. I even won student of the month!"

"I studied at GV Victoria for 9 months, and i'm studying at Camosun College. I really appreciate the time I spent at GV. It was very meaningful to me and it helped me improve not only my English, but also communication and presentation skills. I often remember the moments when I was attending EAP classes at GV, and they remind me of the English expressions or vocabulary words that I learned then, having fun with my classmates and teachers.

I've been studying at Camosun for over a year, taking Computer Science, Math and Statistics and i'm thinking of transferring to UVic later on."
